

## ***Titan Shops Technology Payment Plan***

### **Purpose**

The purpose of the Titan Shops Payment Plan is to provide CSUF students, faculty, and staff ("Purchaser") the opportunity to make 12-monthly installment payments on technology items ("Technology") through the CSU Fullerton Auxiliary Services Corporation (ASC) at Titan Shops. Technology may include, hardware, laptops, desk tops, tablets, printers, and/or monitors. All purchases made on the Titan Shops Payment Plan must be paid in full before being considered for subsequent payment plan agreements.

### **Eligibility**

All current Cal State Fullerton students, faculty, and staff with a valid Campus Wide ID (CWID) are eligible to apply. Prior payment plan history will be considered when determining eligibility. ASC reserves the right to limit participation based on available funding.

### **Terms**

A credit of \$1,500 will be extended to the approved purchaser, with a 12-month repayment period. The repayment period will begin on the 5<sup>th</sup> of the month immediately following the initial purchase and continue monthly until paid in full. A prepaid \$25 payment plan fee will apply. No interest charges will accrue on the account. The monthly payment will be processed via credit card charge. Purchaser must have a valid credit card on file (PCI secured), which cannot expire before the end of the payment plan agreement. Purchaser may pay off their account balance in-full, at any time, either in the store, or online at [titanshops.com](http://titanshops.com).

Any monthly payment charges that are declined, Titan Shops will contact the Purchaser to resolve the payment issue. Any payment issues not resolved within one (1) week of notification will result in a \$25 late fee, a hold placed on the student's academic record (students), and the remaining balance due will be turned over to collections (all others). Academic holds will be released from student accounts once paid in full, and may take up to 48 business hours for processing. Additional \$25 fees will be accessed monthly until the account is made current.

### **Procedure**

Purchaser submits online application form. Upon approval, \$1,500 in credit will be added to the Purchaser's Titan Shops account. The \$25 payment plan processing fee will be charged to the account and will need to be paid for in advance. The funds are limited to in-store technology purchases. Purchaser can proceed to Titan Shops to select their items for purchase. Purchaser must fill out Titan Shops Payment Plan – Technology Agreement in full. Complete instructions will be emailed once approved
